

Pourere

Pourere is coastal house which is an ideal house for anyone with a scenic view. The house boasts of two well-sized bedrooms, each located on opposite sides of the house and equipped with sizable wardrobes, along with two bathrooms. The spacious kitchen comes with a central island bench and opens up to the open-plan dining and living area, serving as the heart of the house. The laundry space is located separately and hidden behind a cupboard. The front of house has large windows providing an unobstructed view of the surroundings.
