

Takapau

Looking for a modern and stylish 2 bedroom home? Consider the Takapau design, perfect for a seaside bach, guest accommodation or downsizing. The open plan living area is centered around a well-equipped kitchen with an island, making it ideal for hosting and entertaining. The spacious bedrooms provide plenty of living space, making it a comfortable and practical choice. Enjoy the benefits of a contemporary home with exquisite architectural features, while also enjoying the nearby coastal scenery. The Takapau design is sure to impress and meet all your needs.
